03/26/2018	<u>40</u>	MEMORANDUM OPINION AND ORDER re: <u>27</u> MOTION for Summary Judgment filed by U.S. Department of State, <u>30</u> CROSS MOTION for Summary Judgment filed by Charles Seife. For the reasons stated above, the State Department's motion for summary judgment is GRANTED IN PART and DENIED IN PART without prejudice. Mr. Seife's cross-motion is DENIED. The denial of the Mr. Seife's motion is without prejudice to the extent that the motion challenges the State Department's response to the 12997 request, the withholding of documents and information under Exemption 5, and the withholding of the identities of the background briefers under Exemption 6. The State Department is directed to submit revised Vaughn submissions addressing the State Department's response to the 12997 request, the information and document claimed exempt under Exemption 5, the identities of background briefers claimed exempt under Exemption 6, as well as a segregability analysis addressing the Category 15 document, along with a renewed motion for partial summary judgment no later than April 30, 2018. Mr. Seife may file a renewed cross-motion for summary judgment with respect to the State Department's response to the 12997 request and its withholding of information and documents under Exemptions 5 and 6 no later than thirty (30) days from the date of service of the State Department's renewed motion. Any oppositions to the motion(s) for summary judgment are due no later than twenty-one (21) days following service of the motions, and any replies are due no later than fourteen (14) days following service of the oppositions. The Clerk of Court is directed to terminate the motions pending at Dkt. Nos. 27 and 30. (Signed by Judge Gregory H. Woods on 3/24/2018) (mro) (Entered: 03/26/2018)

04/24/2018	<u>43</u>	ORDER terminating <u>41</u> Letter Motion for Extension of Time; granting in part <u>42</u> Letter Motion for Extension of Time. Application granted in part. The Court grants Defendant's request for an extension of the briefing deadlines, but agrees with Plaintiff's argument in his opposition (Dkt. No. 42) that a blanket stay of the deadlines is inappropriate. The deadline for Defendant's renewed summary judgment motion and revised Vaughn index, in accordance with the Court's March 26, 2018 memorandum opinion and order (Dkt. No. 40), is extended to May 30, 2018. In the event that Defendant elects to voluntarily produce additional information in response to FOIA Request No. 12996, Defendant is directed to do so no later than May 21, 2018 and to file a letter informing the Court of the fact of the production. In the event that Defendant decides against an additional voluntary production in response to that request, it is directed to file a letter advising the Court of that decision no later than May 21, 2018. The Court also expects that Defendant will promptly produce any disclosable information that its search in response to FOIA Request No. 12997 may uncover. Except as expressly modified by this order, the briefing schedule established by the Court's March 26, 2018 order remains in place. The Clerk of Court is directed to terminate the motions pending at Dkt. Nos. 41 and 42. Motions due by 5/30/2018. (Signed by Judge Gregory H. Woods on 4/24/2018) (mro) (Entered: 04/24/2018)

08/17/2018	<u>63</u>	MEMO ENDORSEMENT on <u>59</u> Letter denying <u>47</u> Motion to Seal Document. ENDORSEMENT: Application granted. On June 6, 2018 the Defendant submitted the ex parte declaration of Eric Stein ("the declaration") to the Court, and requested that the Court place the declaration under seal. Dkt. No. 47. On August 14, 2018 the Defendant submitted a redacted version of the declaration, and applied for leave to file the redacted declaration on the docket. Dkt. No. 59. That application is granted. Whether the Government may ultimately withhold the redacted information is at issue in this case, and the Court reserves judgment on that issue. Defendant's June 6, 2018 letter motion (Dkt. No. 47) is denied as it is no longer germane. The Clerk of Court is directed to terminate the motion pending at Dkt. No. 47. (Signed by Judge Gregory H. 03/06/2019	<u>65</u>	MEMORANDUM OPINION AND ORDER re: <u>48</u> MOTION for Summary Judgment filed by U.S. Department of State, <u>52</u> CROSS MOTION for Summary Judgment filed by Charles Seife. For the reasons stated above, Plaintiffs motion for summary judgment is DENIED, and the State Department's motion for summary judgment is GRANTED IN PART and DENIED IN PART. For the avoidance of doubt, the Court provides the following summary of the outcome of Defendant's motion for summary judgment: REQUEST F-2014-12997: Summary judgment is granted in favor of the State Department as to the search for State-Department produced transcripts, and denied as to the search for non-State-Department-Produced-Transcripts. Exemption 5: Summary judgment is granted in favor of the State Department as to all applications of Exemption 5 in the Revised Vaughn Index, except for Categories 5 (subject to footnote nine, above), 13, and 18 for which summary judgment is denied. Exemption 6: Summary judgment is granted in favor of the State Department, except as to the individual discussed in footnote four of the Fourth Declaration of Eric F. Stein. The remaining issues are discrete, and the Court expects that they may be resolved by conferral amongst the parties. The Court directs the parties to so confer, and to submit a joint status letter to the Court describing what, if any, issues remain in this case no later than three weeks following the date of this opinion and order. The Clerk of Court is directed to terminate the motions pending at docket numbers 48 and 52. SO ORDERED. (Signed by Judge Gregory H. Woods on 3/6/2019) (anc) (Entered: 03/06/2019)
